From Beginning To End

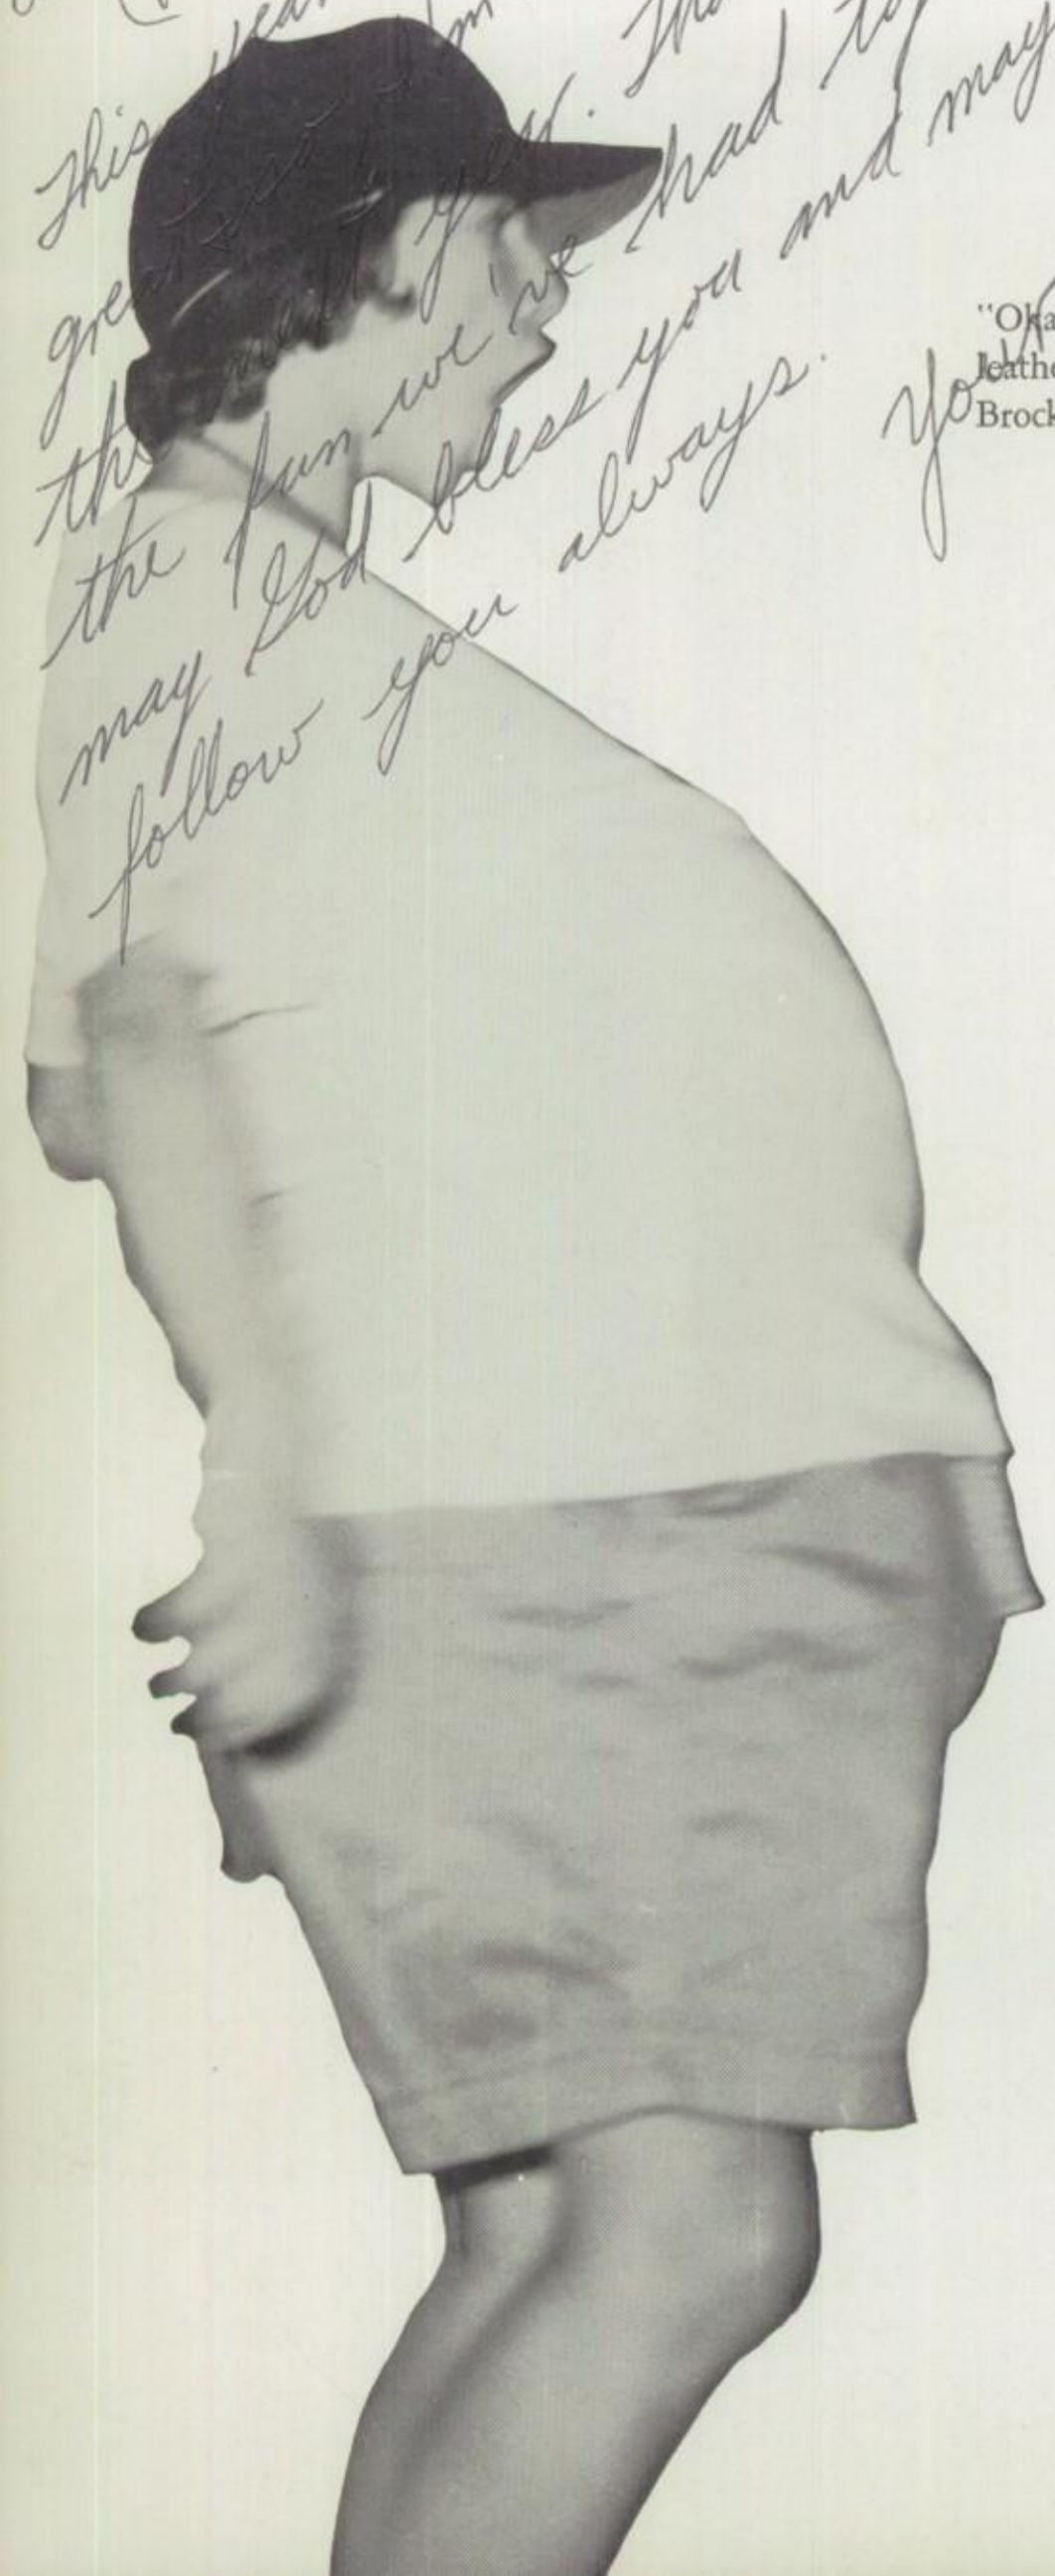
It was a year of exciting games, new hair styles, dances, learning, new and old friends and just plain fun.

At our pep rallies, at our dances, as we entertained we were entertained, as we found fun and relaxation in doing pleasurable things in close association with each other, we lived up to the exuberance that is expected of youth.

eagerly with each other to decorate the goalposts for the many football games; to plan the numerous rewarding and enjoyable dances following the games, to serve at the homecoming reception held for the returning alumni and make it an event to be remembered in years to come.

We worked . . .

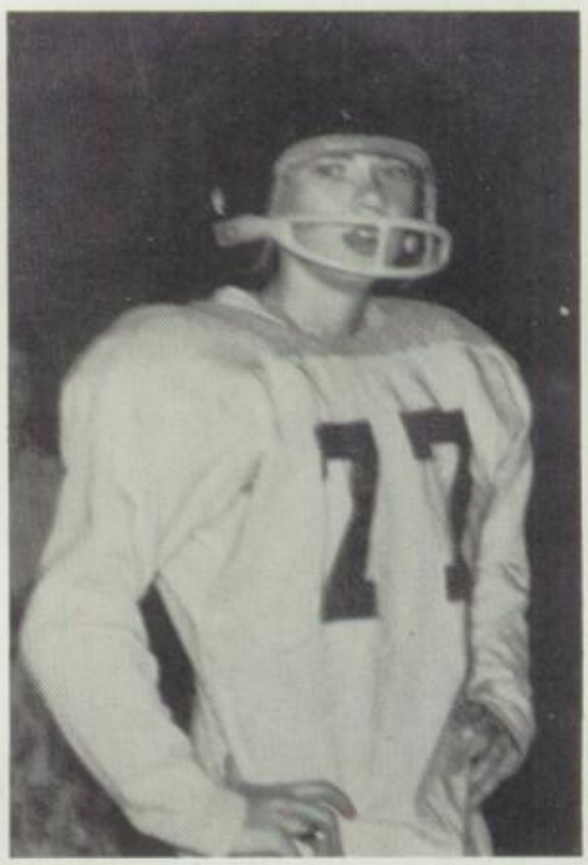
together to sell programs at each and every football game, to decorate the float for the homecoming court, and to make the decorations for a beautiful and successful homecoming dance.



Dear Devil's Advocate,
(Har! Har!)
This year has been
great! I'm sure, will be
the best yet. Thanks for all
the fun we've had together &
may God bless you and may success
follow you always.
Your pal,
Jo Huffman

We played

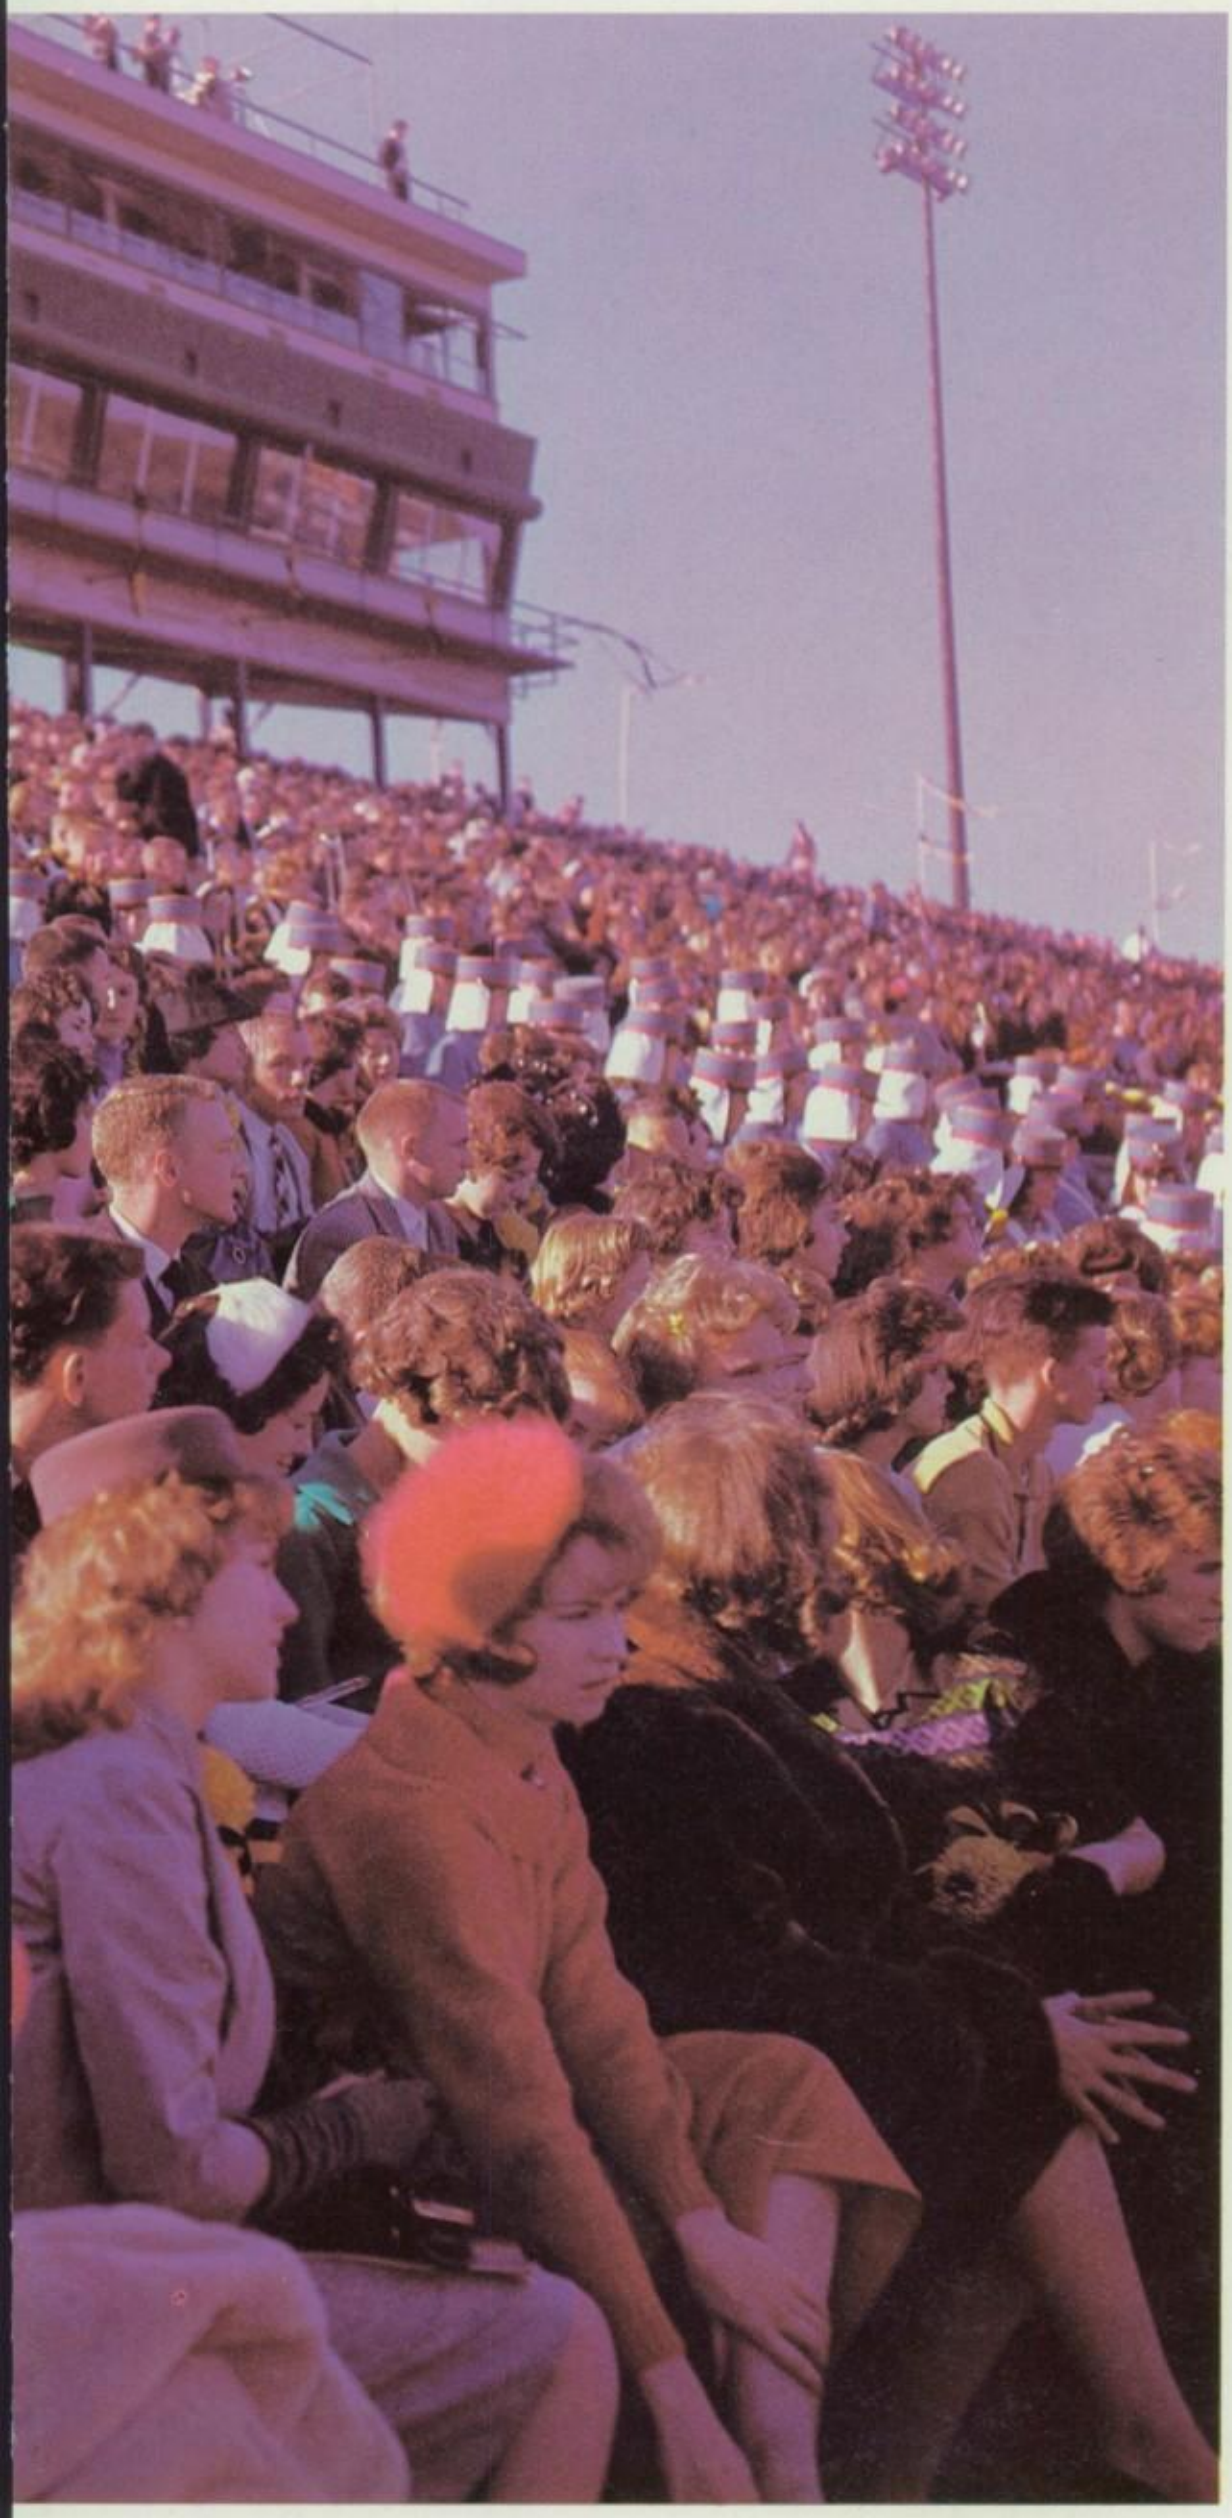
"Okay, gang, line up, and let's really hear that leather pop!" bellows "Head Coach" Brenda Brock in a skit at a pep rally.



. . . and laughed

Laughter filled the halls before, after, and during class. We joked with everyone, and together we shared funny experiences, experiences which occurred at school and away from school and will be remembered forever.

These were the days filled with fun—when we raised the school spirit with humorous ideas. Everyone wore feathers and headbands on Turkey Day, and yoyos became the rage. The spirit of fun pervaded our every activity, our very time in class, and this fun and laughter made our days at Fair Park memorable.



at the exciting contests we attended, the numerous pep rallies held, and the activities to help us win the game.

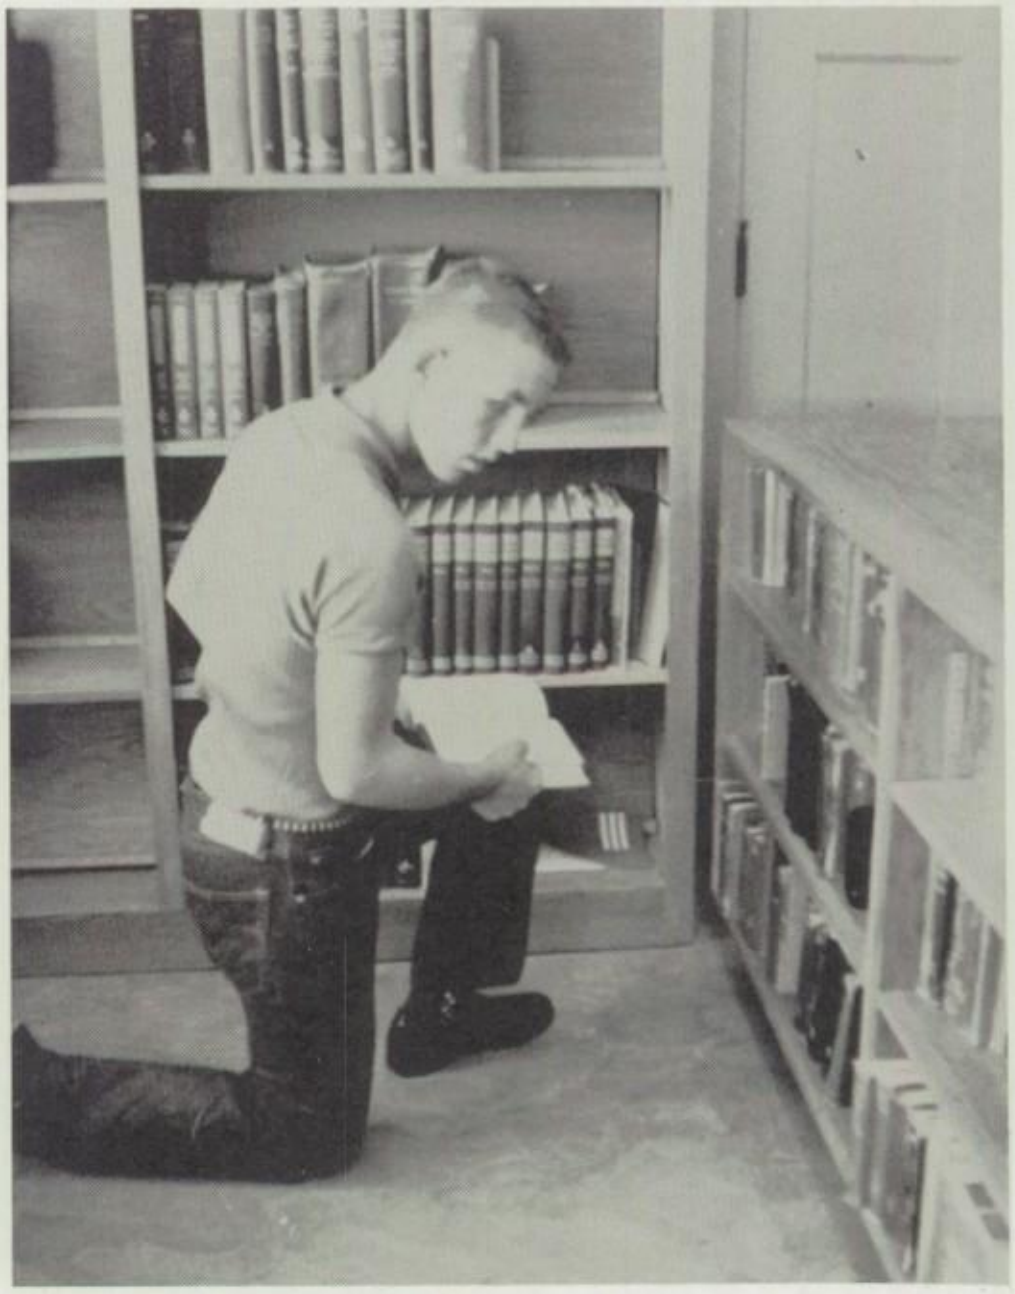
We learned

to increase our knowledge with the fine equipment for our use: in the lab, in the library, and in the classroom.

Those who make Fair Park what it is work—each working for a worthy goal. We strive to accomplish a superior rating—for ourselves and for our school.



to expand our learning in all fields and to strive for the perfection which we all wish to accomplish in our lives.

moments which to some were filled with the excitement of approaching activities and to others were filled with anxiety and concern during a close game.

ADMINISTRATION

This has been another year of achievement for all of you here at Fair Park. Just two short years ago the seniors looked forward to this their third year and graduation; and now they look back nostalgically at the sophomore class, a little apprehensive about the future and not being quite sure they are ready to graduate.

There is one thing certain; the future is ever before us, and you are experiencing academic and extra curricular activities that equip you for the present as well as for the future. Fair Park will provide you with a good education if you accept its offer.

As principal of Fair Park I congratulate the senior class on your accomplishments and wish you well in the years ahead. I also am looking forward to working with sophomores and juniors as you grow in wisdom and knowledge, and as you approach your senior year.

Part of the counseling service at Fair Park consists of special testing measures. These tests provide information on scholastic aptitude and achievement to help the counselors provide the necessary information for a student evaluation. Through testing, interviews, school records, and other observations, this service helps the student plan his career and his future life wisely.

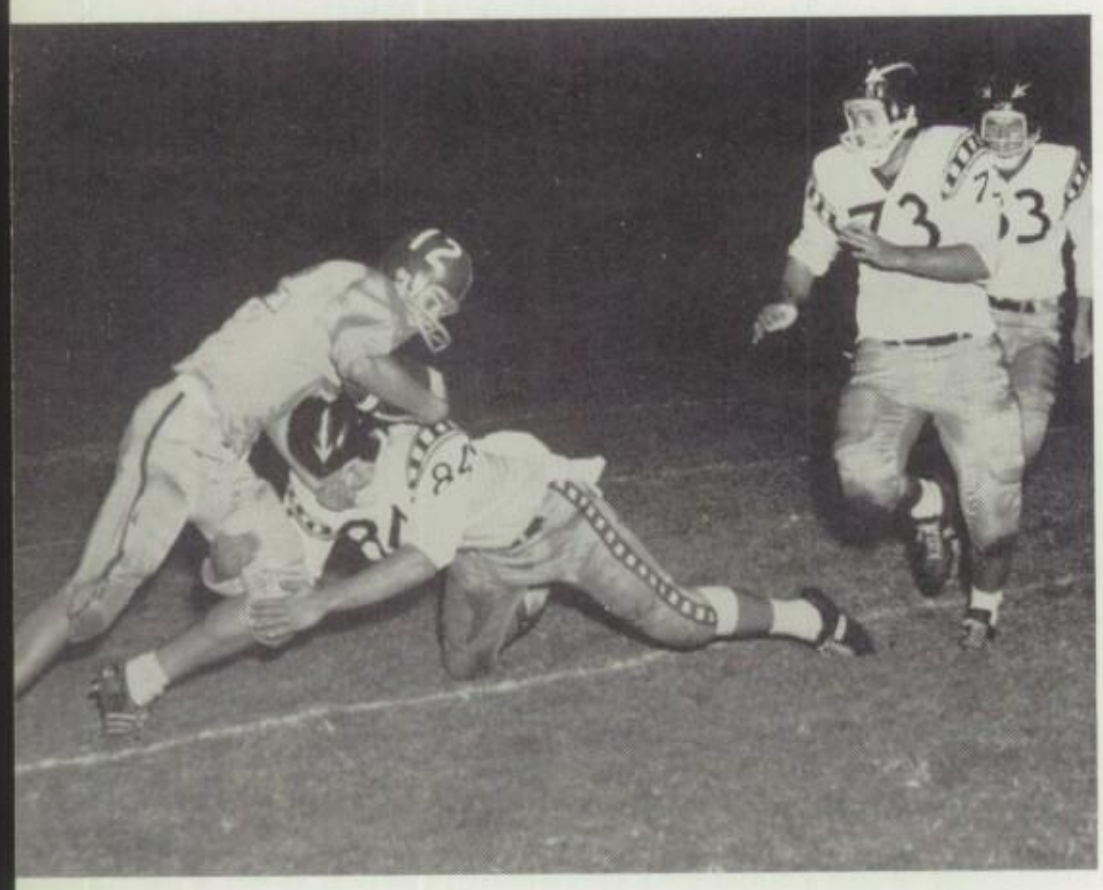
Indians post 5-6 record for '61

Fair Park 0-Marshall 7

The Marshall Mavericks invaded the reservation, took advantage of the braves, and dealt the Fair Park Indians a 7 to 0 defeat.

The Tribe saw two beautiful Hatcher to Cryer touchdown passes, nullified by penalties. The slippery-fingered Indians found the ball hard to hold, losing it four times on fumbles and once on a pass interception.

Marshall's only score came in the fourth quarter, with less than ten minutes remaining in the game.



Fair Park 6-Woodlawn 12

In the second Knight-Redskin clash, Woodlawn downed Fair Park 12 to 6.

The game was won by the Knights when Wayne Davis, end, caught a Billy Laird pass in the end zone as the game-ending horn sounded.

Fair Park opened the scoring when Jerry Lindsay sprinted twenty yards for the first victory over the redskins in any athletic competition for the Lancers.

Fair Park 10-Jesuit 7

The tribe grabbed their first victory when Lynk Carpenter handed the tribe a 10 to 7 triumph, with a twenty yard field goal.

Fair Park scored again several minutes later when Jack Hatcher connected with Jerry Lindsay on a twenty-seven yard TD pass. Carpenter, sophomore fullback, then converted to end the scoring.

Alex Benoit, Jerry Lindsay, and Steve Cryer led the tribe's rushing attack with 62-58-47 yards respectively.

A Rebel moves for short yardage as he is stopped by center Phil Johnson (84) when Frank Neel (33) and Roy Waites (73) come in for assistance.

Fair Park 7-Istrouma 20

State Fair Stadium was the sight of an important Indians VS Indians battle. However, it was the local tribe who accepted a 20 to 7 defeat.

Five thousand fans witnessed Roy Wilson's Redskins hold the 1961 Louisiana State Champions, Istrouma Indians, to a 149 total yards and 20 points.

FPHS achieved their moment of glory in the third quarter, when Steve Cryer gathered in a twenty-seven yard touchdown aerial from quarterback, Jack Hatcher. Lynk Carpenter made the P.A.T.

Fair Park 7-Bastrop 13

The 200 mile trip to Bastrop ended somewhat in disappointment for Fair Park as the Indians suffered a 13-7 defeat to the Rams.

Rodney Litton supplied the fans with the only Injun "shine-time" when he raced 18 yards to pay dirt around right end.

The loss was the second in a row for the tribe in District 1-AAA.

Fair Park 3-Ouachita 7

The Ouachita Lions held to a four point margin all through the second half to nip the Indians 7 to 3.

Fair Park's high point was a twenty-eight yard field goal by Lynk Carpenter. The three pointer took place late in the second quarter after the tribe had blocked a Lion punt and taken possession of the ball on the Ouachita 15 yards line.

Jack Hatcher (17) picks up yardage in the Woodlawn game.

Jack Hatcher (17) puts the stop on an unidentified player as tribesman Gene Solice (16) moves up to assist.

Fair Park 19-Bossier 18

The Redskins knocked the Bossier Bearkats completely out of district contention by skinning them 19 to 18.

The warriors' scores came on ground plays with halfback Jimmy Walker bulling over twice and Steve Cryer sliding in from the five for the other. Lynk Carpenter's toe again proved the difference, however, as he converted the PAT.

Fair Park was led by a well balanced ground attack which racked up 292 net yards.

Fair Park 40-Minden 12

The Indians traveled to Minden and returned with a 40-12 victory over the Crimson Tide.

The warriors' six TD's came on two pass interceptions by Philip Johnson and Frank Neel, three elusive runs by Steve Cryer, David Worthington, and Alex Benoit, and one Worthington aerial to Homer Stout. Lynk Carpenter kicked all four extra points.

Fair Park 20-North Caddo 7

The Indians made it four in a row as they dumped the tough gang of North Caddo Rebs 20 to 7 in State Fair Stadium.

Fair Park's goal crossings were accomplished by Jimmy Walker on a three yard plunge and two timely pass receptions by Steve Cryer and Mark Bell. Steve's TD was for 21 yards while Mark's score only covered four stripes.

Fair Park 7-Byrd 17

Coach Roy Wilson's Indians failed in their attempt to come back for a winning season when they lost the annual Turkey Day game to Byrd 17 to 7.

The Tribe, who had won four in a row up to that time, could produce one moment of glory. That was Joe Huffman's 67 yard sprint with a pass interception.

This was the Braves' 4th successive loss to the cross-town rivals and hiked the ancient record to 16 wins for Byrd and only 12 for the Tribesmen.

Due to his line play in this game and throughout the season, Mike Pharis received a position on the All-City team, District Team, All-State team, All-Southern team, and High School All-American.

Indians post 25-9 record

Tribe hardwooders finished their '62 campaign with an excellent 25-9 chart and a 9-3 district slate. Some of the Indian achievements have been victories in 3 of the 5 tournaments they have entered, and placed third in district competition.

Fair Park was led statistic-wise by Joe Moore, who grabbed 486 RB's, Charles Beasley, who hit 201 out of 372 for a tremendous 54% for the year, Jim Pruett, who popped in 82.3% from the free throw line, and Danny Walker, the squad playmaker and hustler, racked up 180 assists.

VARSITY: Jimmy Pruett, Paul Bailey, Joe Moore, Tommy Chiles, Charles Beasley, Roger Hicks, Andy Fullerton, Richard Manning, David Worthington, and Danny Walker.

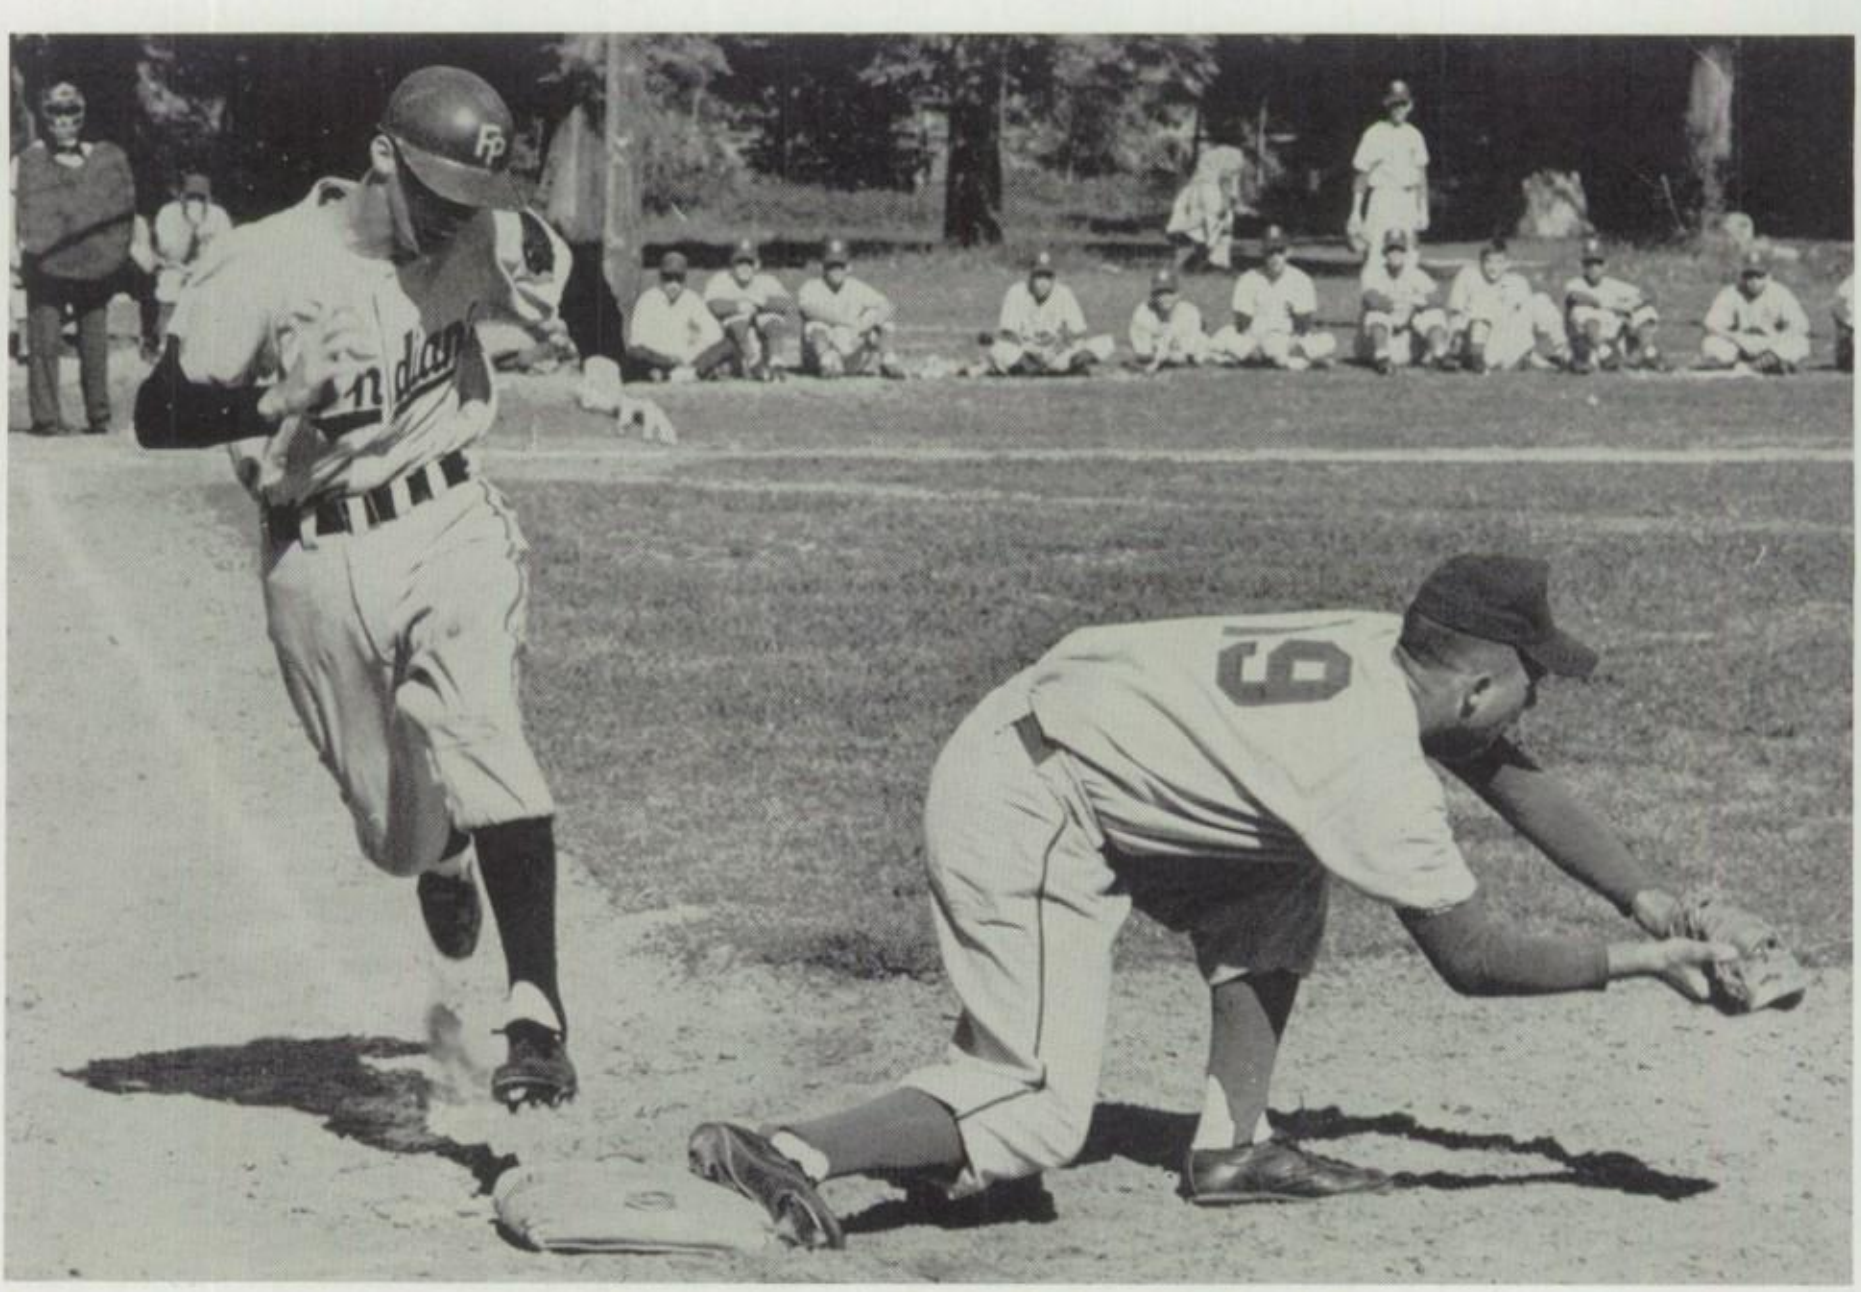
Fair Park in state playoffs

The Indians ended a great season with a spectacular performance in State AAA play-offs. The Tribe during their season stomped over such rugged opponents as Bossier, Byrd, West Monroe, and Minden in their march to the state quarter-finals against the Jesuit Blue Jays of New Orleans.

The Redskin Baseballers opened their post-season competition in Shreveport as SPAR stadium was the site of the 4-3 Indian victory over the Jays. With the scent of triumph the Warriors journeyed to South Louisiana where they were bounced out of playoff action as the Jays swept a twin-bill from the travel worn Braves 5-4 and 3-1.

It's a close call as shortstop David Worthington stomps the bag.



FIRST ROW: Joe Moore, Jerry Solice, Phillip Jennings, David Worthington, Larry Tulley, Billy Sneed. SECOND ROW: Doug Robinson, Frank Neel, Philip Johnson, Jim Kircus, Donald Greene, John Pierce. THIRD ROW: Coach Andrews, Buddy Chester, Charles Johnson, Dean Bounds, Tommy Chiles, Roger Hicks.

Coach Kight discusses strategy with his top distance men, Barry Harwell and Frank Bright.

Indians enter eleven meets

Five new school records were set by the 1961 Track team. Winning three of the meets, they followed up with second place winnings in all other competition. In the all-important state meet, they finished fourth.

Participating in the state meet were Frank Bright, Jay Blazin, James Ricketts, Stefan Anderson, Steve Cryer, Jack Odom and Roger Mann.

Individual honors were awarded to Bright for placing first in the mile and Blazin second in the low hurdles. The mile relay team made up of Blazin, Ricketts, Cryer, and Anderson set a school record while placing 3rd in that event.

FIRST ROW: Sonny Hedges, Steve Cryer, Jerry Lindsay, Frank Bright, Pat Anders, Gerald Ferrar, Doug Ford. SECOND ROW: Larry Stephens, Stephan Anderson, Dewit O'Donnel, Roger Mann, Barry Harwell, Louie Caples, Donnie Carrol, Jay Blazin. THIRD ROW: Manager Wayne Burnette, Pete Smith, Larry Ussery, Mark Bell, Thomas Coleman, Roderick Withers, Gary Walker, Robert Nichols, Harvey Christian.

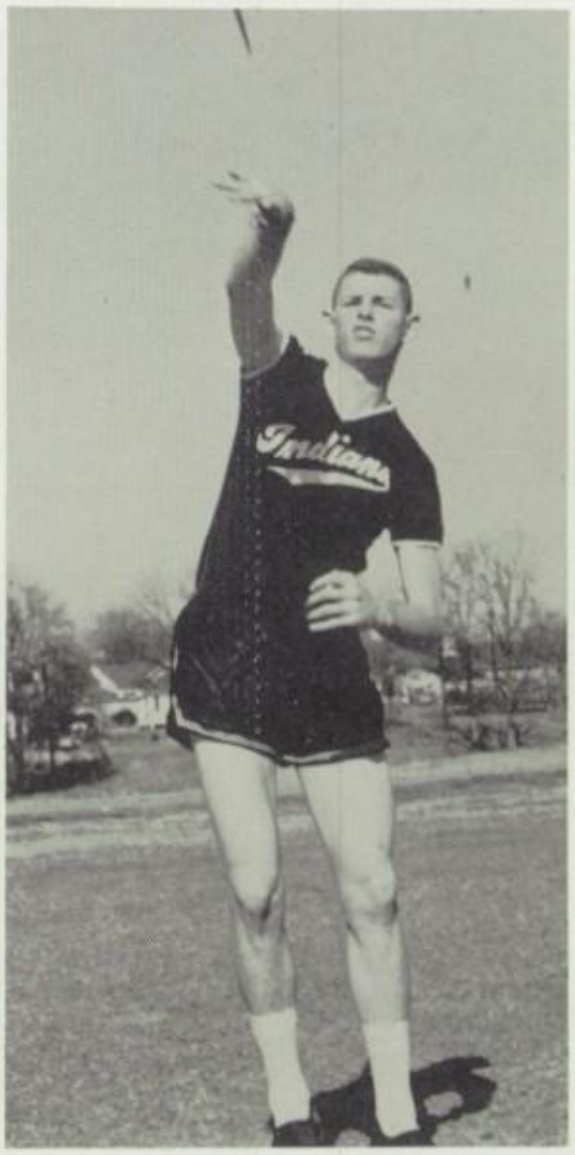
Steve Cryer, Jay Blazin, Sonny Hedges, and Stefan Anderson warm up before the start of another thrilling relay.

Up, up, and over goes Pat Anders, the top Indian vaulter.

Quick "out-of-the-blocks" are Jay Blazin and Steve Cryer, the Indians' two best sprint men.

Roger Mann concentrates on form as he takes to the air in another broad-jump.

Donnie Carroll gives the final push to his air-borne javelin.



FIRST ROW: Linda Davis, Frances Parsons, Judy Nichols, Jo Ann Roper, Martha Crump, Eloise Golemon, Pat Ethridge, Tracy Tanquary, Susan Foster, Diane Clark, Elaine Bogue, Susan Massey. SECOND ROW: Jimmy Pruett, Wayne Lock, Lloyd Wallace, Charles Beasley, Alan Stone, Richard Manning, and Danny Walker.

Fair Park's tennis coach Clem Henderson scans his tennis squad hoping for a good season.

Tennis team has 7-3 record in '61

Fair Park's tennis team, coached by Clem Henderson, racked up a good 7-3 record in the 1961 season, losing only to Byrd twice and to Bolton once. The other teams in their schedule were Woodlawn, Bossier, and ElDorado. They played each of these teams twice.

Lloyd Wallace went to the finals in the district meet in the boys' singles and to the semi-finals in the State meet. In the district meet, Danny Walker and Jim Pruett went to the finals in the boys' doubles and Martha Crump and Jo Ann Roper advanced to the finals in the girls' doubles. In the mixed doubles, Martha and Lloyd advanced to the finals.

Pelican State

Divided into two parties, delegates set up city, parish, and state government of the mythical state of Pelican. By running these governments, taking part in their own elections, and observing the Louisiana legislature, the delegates gained a knowledge of how government works.

Delegates are chosen by the faculty on the basis of leadership, scholarship, initiative, and personality. Delegates Jack Stephens, Bobby Pitts, and Rita McIlwain were not able to attend and were replaced by alternates Neil Kalberg, Paul Bailey, and Shirley Hollingsworth. Other alternates were Bill Ayers, Dennis Organ, Martha Kimball, and Carole Pruett.

National Honor Society

Students chosen to membership in the National Honor Society have attained excellence in scholarship, in service to the school, in leadership and in character. Although the society is not a service organization, the members act as ushers for the Fair Park baccalaureate and as diploma carriers for graduation.

The Honor society elects officers and may undertake such projects as the constitution of the organization permits. Membership is attained upon recommendation by the faculty. To maintain membership members must keep a "B" average.

The life of a student

Above the friendly hello's, the sound of a bell is heard and we rush to class . . .

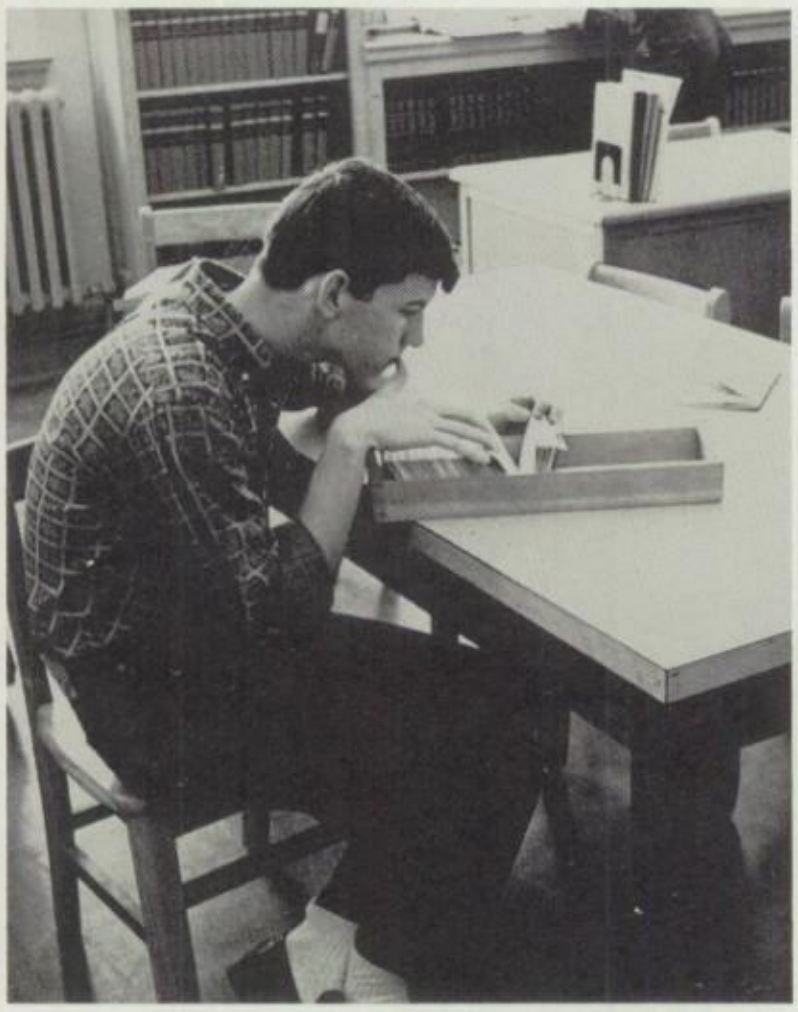
After we get there sometimes it's boring

. . . but more often, engrossing

interesting

We learn all we can.

We search for information.



. . . inspiring

Other things are important.

but preparation for class is essential.

We are inspired.

. . . then back in the halls and on to the next class.

Our teachers say we have poor study habits . . .

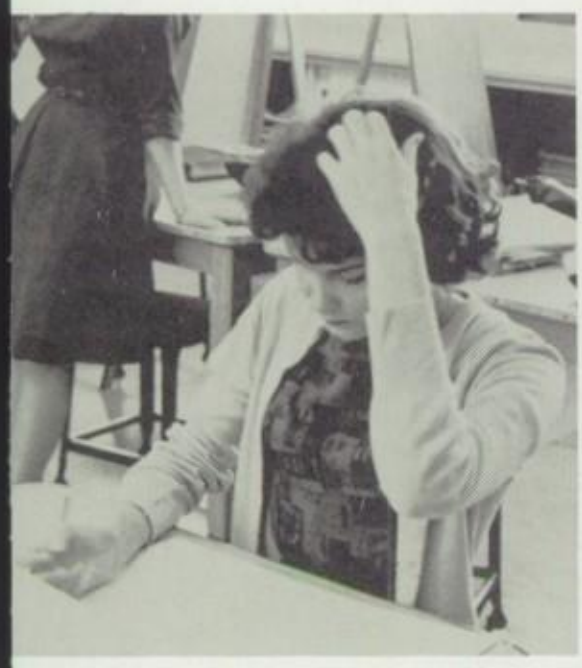
maybe we do . . .

Teachers are always telling us what to do . . .

because they know.

Between classes we can be seen . . .

just being ourselves



. . but we do study

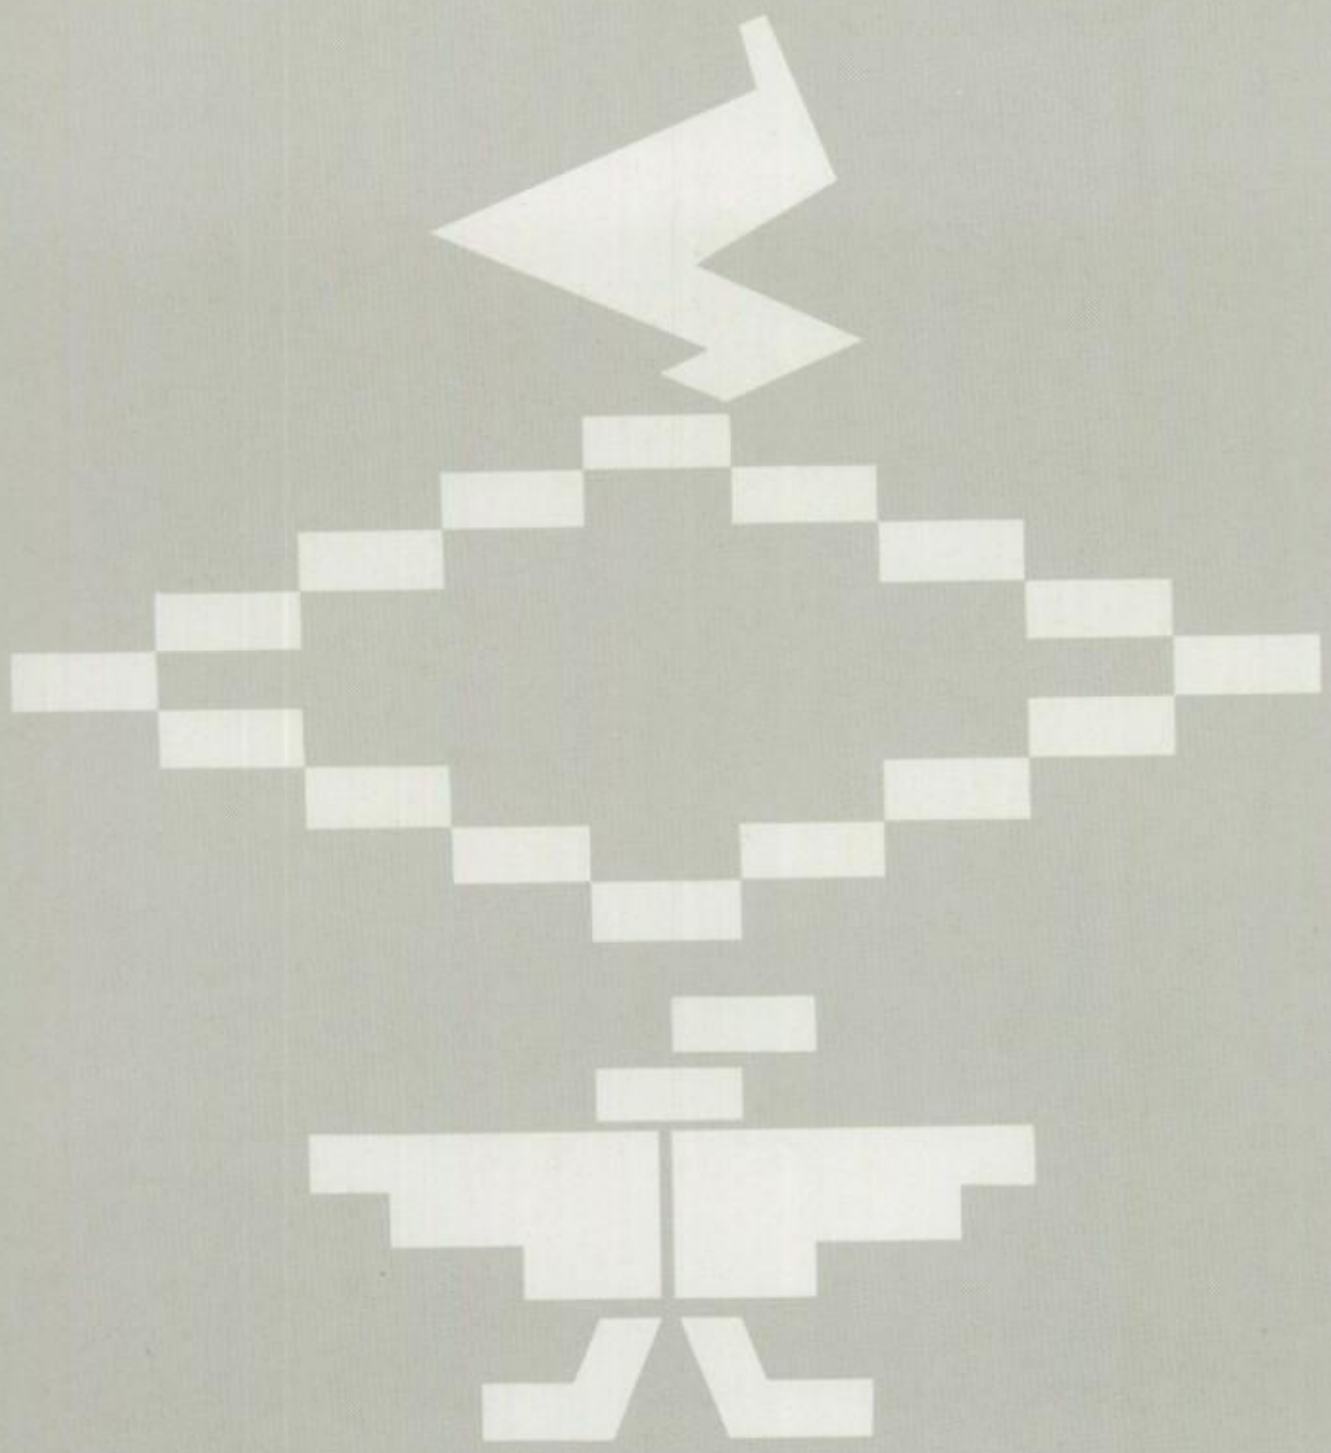
. . . and enjoy it.

The time is well spent.

It's fun to do something you're proud of.

. . . away from the attentiveness of a classroom.

The life of a student is a good life.



ORGANIZATIONS

Student Council governs student body.

President Jack Stephens presides over a regular meeting of representatives.

To serve as an example of democracy, the Student Council is an organization of students elected by the students. In all matters of concern to the entire school, the student representatives serve as the official representative of the student body.

Representatives of the Student Council attended national convention, staff workshop, and state convention.

Among the activities sponsored by the Student Council this year were: Hixie Davidson Memorial Scholarship, the annual Student Council Talent Show, Sophomore Week, the orientation assembly, the Honor Code, chapel services, the bulletin board, school spirit campaigns, a sock-hop, the Christmas dance, Youth Week, and a foreign exchange student.

Kirsti Thesen who comes from Norway was selected to attend Fair Park this year as a foreign exchange student. Kirsti, who is eighteen, is a senior at Fair Park. She is sponsored by the program through the American Field Service.

This program, which was founded in 1915, is a private, non-profit, educational organization whose purpose is to further understanding and good-will between the people of the world. It carries out this purpose by bringing teen-age students from abroad to study in American high schools and live with American families. Through this door pass students from about forty-nine countries who come to live in about fourteen hundred towns of the United States.

The students are teen-agers between sixteen and eighteen years of age. They are screened by educators in their own countries, for personality as well as intelligence so that only the best qualified students will be chosen.

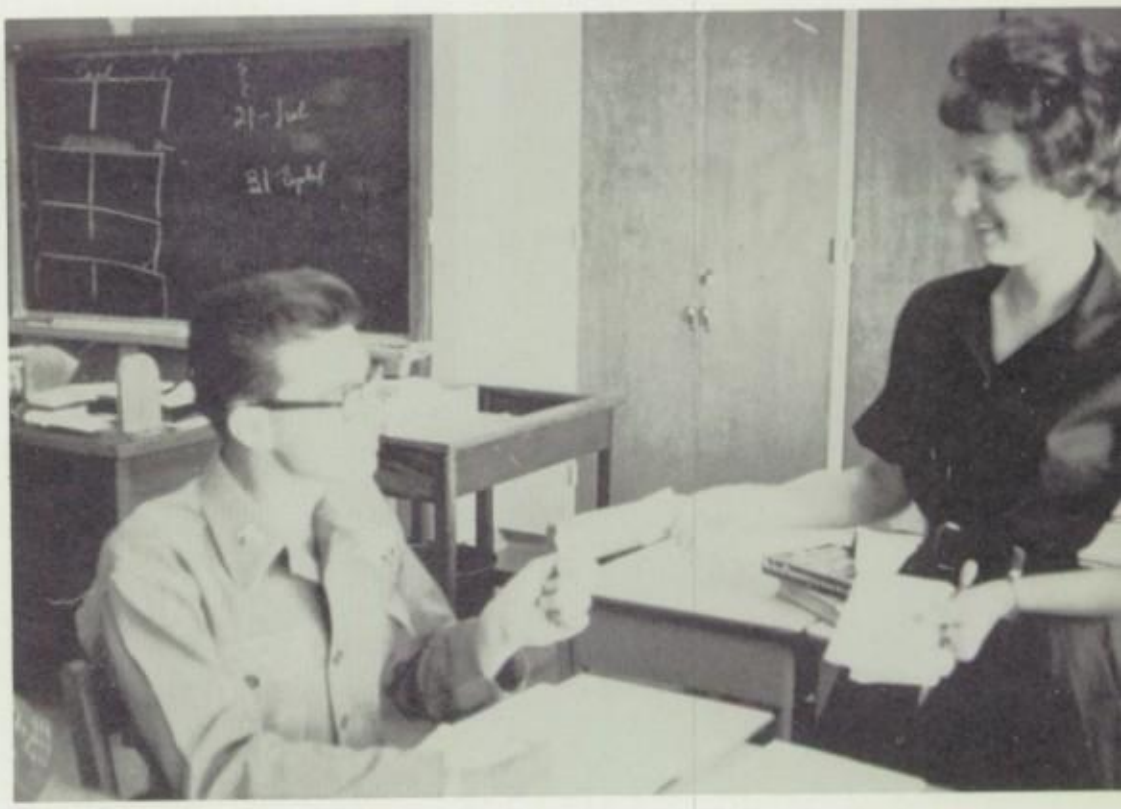
Safety Council attends conference

The Fair Park Safety Council was well represented in the Caddo Parish Youth Traffic Conference. The conference consisted of students from junior high and high schools.

Members of the Fair Park Safety Council are elected in each homeroom. The students elected attend a monthly meeting to promote safety around the school.

Activities performed by the council are selling of parking stickers, assisting in fire drills, and handling problems that arise around the school. In a recent Thanksgiving Day contest the Safety Council took first place for the best decorated car.



President Laney Honeycutt begins the year by getting a record of each automobile for the registration files.

Viewing overseas Christmas gift boxes and student directory projects of this year are James Williams, Judy Locke, Jimmy Albritton, Frances Parsons, Steve Carter, Sammy Bayliss, Robin Bowers, and Johnny Meagher.

A serious but enjoyable organization, the Junior Red Cross received excellent response from the student body. The students felt the responsibility to the school and the community to sponsor activities which would help the needy. With this in mind, the group wasted no time in putting their plan to work. Activities such as a Christmas Basket for a needy family; filling gift boxes to be given needy children; presenting a talent show to the Old Folks Home; and sending a chest of clothing to disaster areas filled the year.

Some activities were planned for the benefit of the students: publication of a student directory and selling of corsages for the Thanksgiving game.

Football Program Ad Staff

"Would you like to buy a program?" This is a familiar sound at all Fair Park's home football games.

The local merchants make the program possible and in turn they are given the opportunity to inform the public of the services or the products they have to offer.

To be selected for a position on the staff, a girl must have a C+ average and leadership ability. Although there is much hard work attached to the honor, the girls gain valuable training for future use.

Sponsor, Miss Loryne Martin; Martha Stampley, Co-Manager; Judy Nichols, Manager; Jo Ann Roper and Michele Burks, Co-Managers.

Checking the assignment board for Pow Wow assignments are Pat Gann, Martha Labenne, Shirley Oxford, and Brenda Basinger.

Hard at work making-up an edition of the Pow Wow are Brenda Latham, Jan Hendrick, and Linda Marvin.

Pow Wow Editorial Staff

Each month the Pow Wow Editorial Staff has the responsibility of publishing the Pow Wow, official news media of Fair Park.

This year the staff was divided into two periods, the reporters first period and the editors fifth period.

Representatives were sent from the paper to Leadership Conference and L.S.P.A. Each member of the staff with 200 column inches to his credit and a creditable average is eligible for Quill and Scroll.

Pow Wow Ad Staff

RIGHT: Rae Ann Clousing and Margaret Sebren address labels for copies of Pow Wow to be mailed to other schools and to advertisers.

At intervals during the year, Mary Lou Calhoun and Kay Doolittle send statements to Pow Wow advertisers.

On each publication date, Pow Wow sends all advertisers a copy of the current edition. Barbara Brackin and Brenda Olds staple and stamp.

Gayle Campbell checks accounts in the ledger to find the balances of advertising firms.

Cynthia Watts and Eugenia Mitchell cut out ads so that dummy pages of the advertising can be made.

A new ad has been sold. Suzanne Stevenson and Linda Barnes add a new account to the ledger.

Sequoyah Editorial Staff

As Editor-in-Chief, Brian Smith directed the work of the 1962 Sequoyah Editorial Staff.

Jill Gates, filling the position of Activities and Faculty Editor, was responsible for completion of copy and layouts in these sections.

Class and Features Editor, Jeanette Williams, coordinated layouts and copy for these sections of the book.

Copy for Sports and Military Sections and sports layouts were under the supervision of editor Jo Carol Ward.

A group effort is necessary to complete a yearbook. Sarah Cope, Charlie Houston, Peggy Shilub, Laura Jordan, Wayne Burnette, and Shirley Wicker pause for a picture during a session with the planning dummy.

An important part of any yearbook staff is the typists who transfer all the copy that has been written to the final copy sheets. Jane Jefferson and Ruth Estas are typing while Carolyn Houston, Sammy Bayliss, and Buddy Payne check the copy to be typed.

Attempting to tell the story of a year at Fair Park requires good pictures and a lot of them. Sandra Foster, Leilani Lang, Sandra Anderson, and Charlotte DeArman with their cameras were seen everywhere this year.

Sandra Hunt, Diane Bryan, and Corinne Wright enjoy selling ads during their study hall.

Carolyn Dupree, Tracey Tanquary, and Betty Stuckey meet for a planning session.

Carol Braw, Sue Ellen Wright, Judy Disiere, and Judy Jones have found tactfulness and courtesy important traits of salesmanship.

Sequoyah Ad Staff

This year's Sequoyah Ad Staff is composed of eleven girls with Judy Disiere as Manager and Sandra Hunt and Tracey Tanquary as Co-Managers. These girls must have qualities of charm, courtesy, and initiative in order to sell advertising space to business establishments. In order to keep the cost of the yearbook reasonable for the students, each staff member must sell at least two-hundred dollars worth of space.

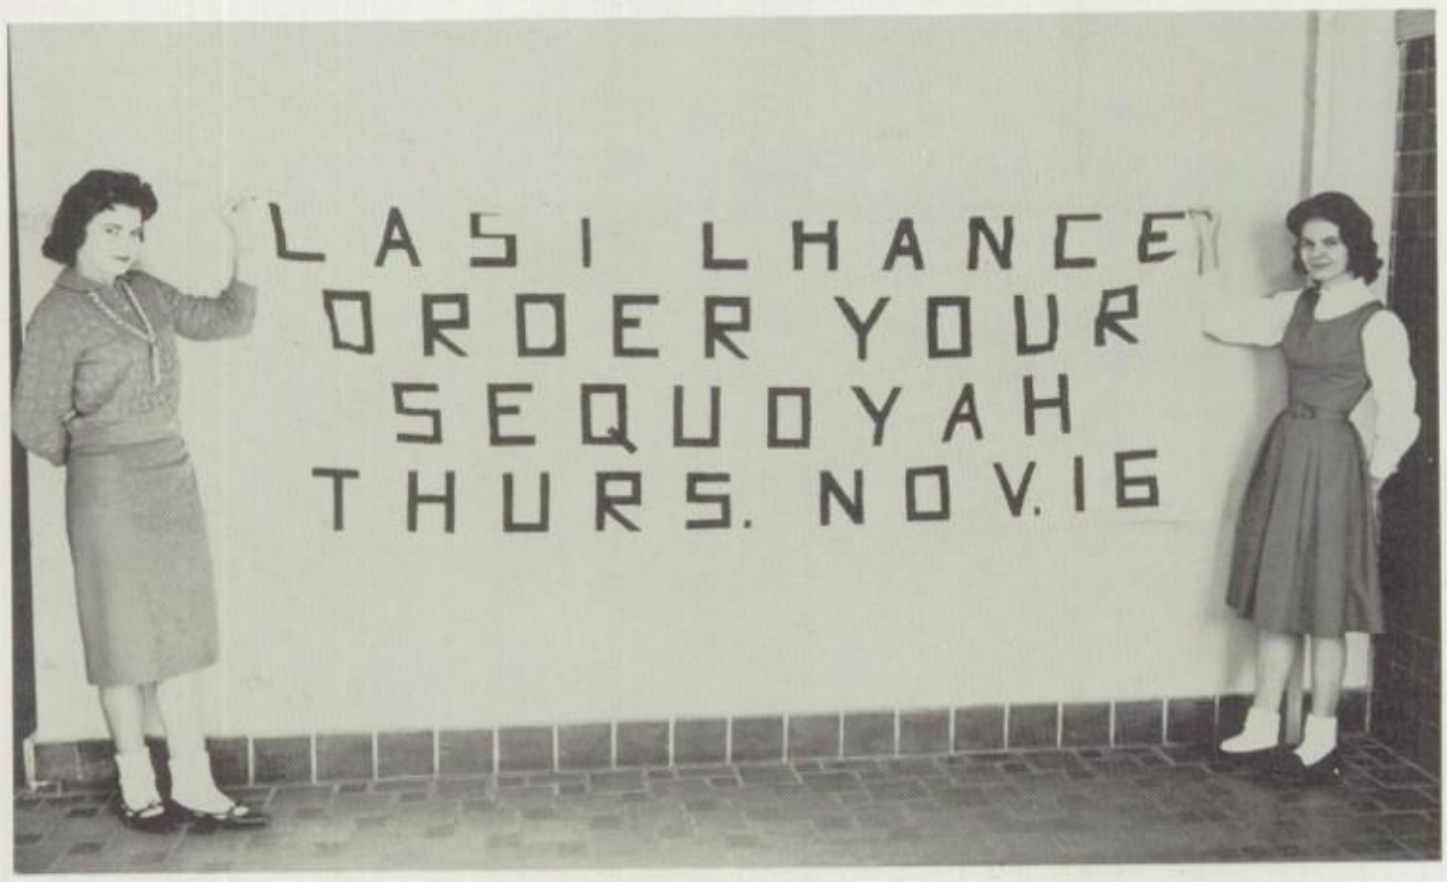
Recommended by other teachers, these girls were chosen by Miss Mary Anthony, sponsor, and began work in early September.

The effort put forth by the Sequoyah Ad Staff helps to make the yearbook a success.

Patsy Fulco contacts a business firm about an ad.

At the end of a sales day Mrs. Brown, Rosa Ann Clarke, Sharon Ford, and Lynette McGowen find that balancing the records is quite a job.

As do all teachers, Mr. Paul turns in his receipts at the end of the sales day to JoAnn Norris and Eugenia Neal.



Placing posters in the hall for advertising of the Sequoyah sales is one way of arousing the students' interest. Billie Clyde Blair and Sandra Flemmons are pictured here on such a job.

Circulation Staff maintains high record

The 1962 Sequoyah Circulation Staff, through hard work in planning and promoting sales, long hours of tallying and balancing collections, maintained their usual high record of sales of the yearbook.

Much time and thought go into the making of a successful sale of the yearbook, and posters for advertisement play an important part in the sales. Here Nancy Tieman, Alice Guidry, and Carole Gephardt work on one of these posters.

Judy Farmer, Linda Jackson, and Carol Robinson remember as they check receipts that accuracy is essential in determining the number of sales.

Forms for accurate sales accounts are typed by Paula Crenshaw, Sandra Herring, Betty Ponder, and Sandra Sanfillippo.

Distributive Education Club

Under the Distributive Education Program, students go to school in the morning and work for local businessmen in the afternoon. Positions filled by these students are those of office workers, clerks, sales personnel and others. This program prepares students for employment after graduation by giving them an opportunity to meet people and to meet the world of business before they get out on their own. The Distributive Education Club provides a better understanding between the city and today's youth.

Tumbling Team

Tumbling as an exercise activity is the hobby of these students. Meeting twice a week under the assistance of Mr. Howard, their sponsor, they work to improve their skills. Besides improving their skill in tumbling, this helps build their coordination and balance. Working hard through the year to train for the tumblers' state high school championship in gymnastics gives the tumblers something to look forward to. This is held each year at Northwestern State College in March.

Dear Judy,
We have been the best of friends for a long time. It's a shame we didn't get together to do more this year. Some-times I feel we wasted our time. I feel we could have done so much more for each other. I'm glad we're seeing each other this summer. I'm so happy you got selected to be a Student Council Representative. You deserved it. I love you and hope you have a great year. I love anyone who is not afraid to show their feelings. Love ya sister. Nothing happens to friendship. Best of luck always.
Love ya
